

The Dimmer View

MAX GOODWIN

Joe Artavia, a local builder, sends along a yarn which he thinks is appropriate to our business.

According to THE TOASTMASTER magazine, says he, the one rang in a newspaper office at deadline time and an insistent reporter an item which, she demanded, must appear in the next issue of the publication.

"I'll try," said the weary news editor, "but it's late and we're a little tight."

"Well, she retorted, 'it seems to me that if you're going to work on our paper, you certainly should stay sober until you get it out.'"

At a meeting the other day a person asked me if I was going to oppose the issue of an over-ride tax for elementary school operation.

He seemed surprised when I said I planned to support it... especially in the light of recent editorials, written by me, condemning the practice of nearly every governmental agency demanding more and more of our money for taxes.

To me, at least, the simplest part to understand of a school's budget is that part set aside as operational expenses. This has nothing to do with repayment of past obligations, nor investment in school sites or buildings. It reflects accurately, what is going on at school.

It reflects the pay of teachers, for example. Anyone can see at a glance whether or not the school administration is "feather-bedding." Simply compare the number of classes to the number of regular teachers, and get your answer. No question about cost of electricity for lights and materials used by kids under the heading of supplies being a necessity. Custodial service is measurable. Afternoon expenses and bus service can be assessed in light of whether there should be as much of or less. Music programs, specialized teachers, library expenses, camp and recreation programs can also be measured and decided.

None of these budgeted items is mysterious. You can see what you are buying when you examine this issue.

All of us know the cost of living has increased since we approved the current override tax of \$1.45 five years ago. We know it costs more to keep services at the same level as they were when the tax rate was voted in.

This then is somewhat like a marriage vow involving the "better or worse, sickness and health" philosophy. We've got kids. They need educating. We've got to foot the bill. Convince yourself, by asking your PTA officer or school administrator about it, that frills and waste are absent in this operating budget, then give a hand in getting the issue successfully passed October 7.

We've been howling up a storm for the past couple of years be-

(Continued on Page 7)

Valley Zoning Action Scored By Director

SAN DIEGO (CNS)—County Supervisors Monday reversed themselves on the permission they gave to a property owner in the Jamacha-Sweetwater area to build three houses on two and a half acres, although the minimum building site is one acre.

The zoning variance was approved last week, to be granted without a public hearing, and it made a special two-and-a-half acre spot in the middle of 4,000 acres in which a permanent zoning is about to be passed. In addition, it is in the same area that owners of 32 acres have been trying to get a permit for a trailer park for more than a year.

Not successful in persuading either the Planning Commission or Supervisors to change the zoning put in during August, 1957, the would-be developers of the trailer park are threatening to take their case to the courts.

Winner of the right to build a trailer park to the zoning was O. B. Alexander, and he lost his privilege without being mentioned by name. Instead, Supervisors passed an emergency ordinance, effective immediately, saying that variances from interim zoning have to be the subject of public hearing.

The new law was apparently the subject of some maneuvering behind the scenes during Monday's meeting of Planning Director Willis H. Miller had placed on Supervisors desk a memorandum which an-

LEMON GROVE REVIEW

LOTS OF PARKING
EVENING SHOPPING

Reserve Friday nights for family shopping. Lemon Grove shops are open Friday 'til 9.

10¢ PER COPY

GOVERNOR TO BE CHAMBER SPEAKER

Gov. Knight, Lady To Visit Grove

Hour Given Back Sunday

You'll get that hour of sleep back Monday morning. It's the one you lost when daylight savings time went into effect last spring.

Best way to avoid showing up an hour early for work or school Monday is to move your clock back one hour before you retire Sunday evening.

Say, for example, you normally go to bed at 10 p.m. Make your clock read 9 p.m. and you'll be right on the beam when you arise Monday. Actually, the time district reverts to daylight savings time at 2 a.m. September 29.

Lions Club Marks White Cane Days

White Cane Days will be marked Friday and Saturday in Lemon Grove and elsewhere in California and Nevada by Lions clubs. Lemon Grove Lions activity will be under the direction of Col. Bob Pulliam and miniature canes will be distributed throughout the community.

Proceeds will be used to aid local youngsters needing visual aid, as part of a sight conservation program.

Petitioners Demand 25-MPH Skyline Speed

SAN DIEGO (CNS)—Petitioners asking for a speed limit of 25 miles-per-hour on Skyline drive, Lemon Grove, with the limit to be strictly enforced, were turned over to the County Traffic Committee on Monday by San Diego county supervisors.

The petitions were sent to the board by Mr. and Mrs. N. E. Weise, with about 75 signatures attached. The speed limit was asked on the basis of the road being narrow and heavily traveled. Speed on the road now was reported as "excessive," creating traffic hazards for pedestrians and motorists.

Palm Avenue Bike Riders Need OK From Parents

Youngsters under the fourth grade level at the Palm Avenue school on Palm street are being requested not to ride their bikes to school, according to officials of the Palm Avenue PTA.

They point to narrow streets and lack of walking traffic lanes as dictating the need for more caution. Youngsters who continue to ride should bring a note of permission from parents, the PTA says.

Governor Goodwin Knight has accepted "with pleasure" an invitation to speak at a breakfast meeting of the Lemon Grove chamber of commerce, Thursday, October 2.

The breakfast will be held at Michael's restaurant at 8 a.m. Admission will be by ticket only.

Invitation was extended through the chamber's president, Ernest M. Newton. Newton said the governor's presence would lend importance to the community as well as the chamber of commerce. The organization's fall program will be announced at the meeting.

Governor Knight was to have been invited to the group's semi-annual all-member meeting in June but circumstances locally and in Sacramento prevented the invitation from being extended in time for the governor to make arrangements.

The chamber-sponsored governor's breakfast will take on a social atmosphere since Mrs.

Knight will attend the breakfast with her husband. With the state's First Lady gracing the meeting president Newton said guests should be encouraged to bring their spouses.

According to W. Earl Smart, ticket chairman, more than 20 reservations have already been made, mostly by couples. Seating capacity, approximately 300, will limit the tickets, he pointed out.

Wallace Dorman, vice president of the chamber, will preside at the October 2 breakfast because president Newton is scheduled to be in San Francisco the date of the meeting.

Tickets may be obtained from the chamber of commerce, at the office of this newspaper, 7834 Lester avenue, Lemon Grove, or by writing to the chamber at P.O. box 96.

Tickets for the breakfast are \$2 each. Breakfast will include juice, eggs, ham, potatoes, hot biscuits, honey and coffee or milk.

Religious Census Set For October

Bob Rochelle, pastor of the Southern Baptist church of Lemon Grove, has been named area chairman of Lemon Grove and Spring Valley for a religious census scheduled to be conducted county-wide October 12.

More than 15,000 volunteers will visit every home in the county and ask "What is your religious preference?" and "Is there a Bible in your home?"

The project, one of the most energetic religious programs ever undertaken in the county, is under the sponsorship of the Commissions on Evangelism of the San Diego Council of Churches.

The county is cut up into 35 separate census districts for the work. Volunteers will make calls soon after noon on Census Day.

Jackpot \$ Unclaimed Once Again

Mrs. Janet S. Beardsley, 138 Skyline drive, wasn't present when her name was drawn from the huge revolving drum at the Lemon Grove merchant's Jackpot Drawing Thursday of last week, so she failed to win \$100 of the \$800 prize. Her ticket was for 20 per cent of the total. Next week's jackpot, on Thursday at 3 p.m., will be worth a total of \$900. Ticket holders must be present at the drawing to win.

Beginning October 17, the drawings held each week in the plaza will be changed from Thursday afternoon at 3 p.m. to Friday evening at 7 p.m., merchants revealed Tuesday.

This change has been made at the request of many shoppers who, now that school has reopened, find it difficult to get to the drawing.

Mrs. Beardsley works as a secretary at the Skyline Wesleyan Methodist church. She said she had a "funny feeling" about attending the drawing but she felt she couldn't get away from her work at the church. She would have used some of the money, if she had won, to buy badly needed office equipment for the church, she said. Needed are a mimeograph machine, a typewriter and other equipment, she reported.

Mrs. Beardsley and her 11-year-old daughter Sandra have lived in Lemon Grove for four years and do almost all their shopping here, Mrs. Beardsley said.

Tickets for the drawing are given free by Lemon Grove merchants who display Jackpot Drawing signs.

PARENTS' CLINIC CLASSES SET AT ADULT SCHOOL

A special class in parent psychology will be offered at Helix Adult school on Monday evenings at 7.

The class is developed for parents with youngsters in the one to 13 year age areas. Study will cover behavior patterns, emotional fields and mental development.

Both Ends To Have 'Islands'

Full Development Seen For Broadway In Grove

Broadway in Lemon Grove will very probably be widened to full 150 feet between Kempf and Buena Vista without center turn lanes but the rest of the thoroughfare west to College and east to Sweetwater will be improved to 100 feet width, Jack Mulgrew, assistant road superintendent for the county said this week.

There will be an 18 foot concrete left turn lane down the center of the 100 foot wide improvement. There will be on double stripes, 2 feet wide, in the center of the 150 foot improvement.

He said the 150 foot improvement provided greater safety than the narrower street. On this basis the county road department is willing to forego the requirement of 18 foot wide center islands if property owners along the improvement would pay the difference in cost between a 100 foot improvement and the 150 foot one.

The extra width will be paid for by forming a 1911 Improvement District among affected property owners.

Mulgrew said center islands are standard safety installations designed for the benefit of the motorists. He also said similar islands will be installed the length of the Imperial avenue improvement scheduled to get underway later this year.

A group of citizens sponsored by the Lemon Grove Boosters Club, a chamber of commerce organization, have been meeting with the supervisors, the road department and county counsel in an attempt to get the center islands eliminated.

Marshall Adams heads the Boosters committee for the county.

The Boosters contend center islands will have an adverse effect on the business of the community especially since it will be coming at the approximate time

of the scheduled opening of the new College Grove shopping center.

Local firms feel the islands will discourage motorists enjoying impulse shopping" along Broadway.

School Board Goes On Record Against Prop. 17

The Lemon Grove school board wrapped up its business in jig time Monday and adjourned at 10 p.m.

In the two-and-one-half hours of the meeting they considered items ranging as far apart as opposing Proposition 17 in the general election to approving payroll deduction for personnel who wish to contribute to the United Fund campaign.

The board authorized the school's business office to withhold funds for the United Fund drive as directed by individual employees. At a personnel meeting later in the month it will be determined whether or not other charity requests will be given like treatment.

The Board went on record also as opposing Proposition 17 which reduces sales tax, increases income tax, and which, they say, would result in the annual loss of \$50 million in income to the state. As a comparison, the 1957 Legislature approved \$37 million increase in state school support annually for a two year period ending this year.

A policy and procedures handbook was distributed among the school's personnel, according to Byron Netzley, school superintendent. This handbook will better establish rules and regulations between the district and its personnel.

City Candidates Total Twelve

SAN DIEGO (CNS)—County supervisors turned over to the Registrar of Voters on Monday the names of 12 candidates proposed for Lemon Grove's City Council, if the voters approve incorporation. The 12 who are to be on the ballot are: Roger S. Martin, Joseph Canizaro, James P. Spears, Robert G. Vaughn, Vroman J. Dorman, Gilbert Chassy M.D., Ralph V. Armstrong, Jess E. Lee, Wilbert R. Vandenberg, Elton H. Loveland, Clarence E. Casteau and Ira L. Durham.

Forms may be obtained at the office of the LEMON GROVE REVIEW without cost. Office is located at 7834 Lester avenue.

Five councilmen will be elected at the election on incorporation scheduled for Lemon Grove November 25.

Local Hunter Killed; Pal Held For Murder

A San Diego county labor union official and a resident of Lemon Grove was shot and killed while on a deer hunting trip in Siskiyou county in northern California.

Walter Ramsey, 60, who lived at the Windmill Trailer Park, 3595 Olive street was found dead Monday morning in his station wagon with two bullet wounds in his head. The windshield of the station wagon was shattered.

Police in Tustin, California, are holding Ramsey's hunting companion, George Duff, 56, on suspicion of murder at the request of the Sheriff's department in Siskiyou county.

Duff, a resident of Tustin and former resident of Lemon Grove, turned himself in to police in Tustin after returning to his home where he learned he was wanted by the police.

According to residents of the Lemon Grove trailer park, managed by Mr. and Mrs. Floyd H. Turbett, Ramsey left the trailer park alone early Saturday morning for Siskiyou county. He intended to pick up Duff in Tustin on the way, residents said. He went on deer hunting trips every year, they said, usually accompanied by his wife, Carrie. This year, however, Mrs. Ramsey stayed at home because she wasn't feeling well. It was also reported Ramsey had given a hunting guide to a neighbor Friday night. When the neighbor told him he felt he shouldn't accept the guide, Ramsey reportedly told him, "That's all right, I won't be needing it any more."

Ramsey was a business representative for the San Diego County Council of the Carpenters Union, AFL-CIO, and had known Duff for several years. Duff was a carpenter when he resided in Lemon Grove. Ramsey had lived in the trailer park eight on nine years, it was reported.

21-Month Old Girl Killed In Traffic Mishap

Trisha Thies, 21-month-old daughter of Mr. and Mrs. Raymond H. Thies, 6651 McArthur drive, died Tuesday night in Grossmont hospital after being struck by an auto backing from a driveway at 6650 McArthur drive.

According to California Highway Patrol officers, the auto, a 1953 Mercury, was driven by Kenneth Dean Kunkel II, son of Mr. and Mrs. Kenneth Kunkel, of 72-47 San Miguel street.

The Kunkel youth, 16-year-old Mt. Miguel high school junior was driving Kenneth McClure home. McClure lives at 6650 McArthur. The Thies girl was playing in the street behind the parked auto, according to the report. She was struck at 5:20 p.m., entered Grossmont hospital for emergency surgery at 6:30 and died at 11:30, according to the county coroner's office.

WHAT A MESS — That's what Mrs. Frances Faucher, Lemon Grove Postoffice clerk, tells James Blackmore, clerk, while they sort wet magazines which arrived at the local postoffice last Thursday. "They look like they have been soaked in water for several hours," said Postmaster Faucher. The magazines, all Redbooks, originated in Dayton, Ohio. Unable to explain their condition, Faucher said, "Maybe they were wet when wrapped, because the wrapping appears to be dry." He said it was the first time in his 17 years of postal service he had seen mail in such bad shape.

CONCERT GROUP PROPOSES FOOTHILLS AREA AUDITORIUM

More than 20 representatives of clubs and organizations in the Foothills area put the stamp of approval on a proposition that would build a community auditorium in the Lemon Grove-Spring Valley-La Mesa-EI Cajon area.

Approval was voiced at a luncheon meeting Tuesday at the Foothills restaurant in La Mesa, sponsored by the Woman's Committee of the Grossmont Community Concert Association.

Also giving a nod to the proposal were representatives of three area chambers of commerce. Capt. H. E. LeBaron (USN Ret.) chairman of the Grossmont Community Concert Association, said an area auditorium had been a dream of his for many years. No site was suggested nor was a plan advanced for raising funds. Capt. LeBaron said names of a steering committee would be announced at a future meeting, the date of which also is to be announced.

California Utility Charges Among Lowest In Entire United States

Combined monthly charges for gas, electric and telephone service in California for a typical small household are among the lowest in any state in the nation, it was indicated by an annual survey of rates in the 25 largest cities of the United States which was announced today by General C. Lyn Fox, president of the California Public Utilities Commission. The survey is based on rates in effect on June 30, 1958.

For 50 therms of gas, 100 kilowatt hours of electric energy, and two-party flat-rate telephone service residents of San Francisco pay \$11.03 per month. This is the lowest combined charge for these amounts of service in any of the nation's 25 largest cities.

Los Angeles, with a combined charge of \$11.48 per month rates third among the major cities. Second is San Antonio, Texas, at

\$11.37 per month. These three are the only cities with a combined monthly charge below \$11.50 and the highest monthly charge, for exactly the same amount of service amounts to \$27 in one eastern city. Three cities are in the \$12 to \$13 bracket; three \$13 to \$14; six \$14 to \$16; three \$17 to \$19; one \$31.32 and one \$27.

Los Angeles still has the lowest telephone rate for basic two-party-line residential service at \$3.50 per month (not including Federal tax), while the second lowest rate among the 25 cities is in San Francisco at \$3.90 per month.

For exactly the same kind of telephone service the next lowest rate is \$4.40 per month in New Orleans and Cincinnati, while the charge ranges upward in other cities to a high of \$6.20.

'Buffalo Bill' Tryouts Slated

Tryouts for the first Junior Theatre production of the 1958-59 season, "Buffalo Bill," will be held Saturday of this week from two to five p.m., and on Monday of next week, from four to six p.m. in the Puppet Theatre, Palisades area, Balboa Park.

There are 17 pioneer and Indian roles in this historical play. All age groups are urged to try out as there are family groups of adults and children in the cast for this production.

Indian dancers, also, are to be auditioned on these dates. Boys who are interested in learning authentic "war dances" are urged to attend tryouts. Chief Black Hawk, a Sioux Indian, is directing the dancing and will also be technical advisor for authenticity of the Indian lore of the play.

Technical workers for back stage and set building are also needed. Crew chiefs are to be assigned at the time of the tryouts. Teenagers with experience in this area of theatre work are asked to register on the same days.

Robert Chambers, executive director of the San Diego Junior Theatre will direct the production.

GUHS CAC Sets 1st Meet

The first meeting this year of the Grossmont Union High School District Citizen's Advisory Committee will be held Monday, September 29, at 7:30 p.m. in the cafeteria at Grossmont high school, Hart Dunham, chairman announced today.

Dunham said invitations are being extended to all community or civic organizations to select a member interested in educational problems to attend this meeting. Dunham urged presidents of each organization to name a representative without delay.

The executive board of the Grossmont CAC has listed a number of important topics for study, but others may be added by the members at the first meeting when committees will be organized. Members are also sought to serve on sub-committees which will study problems and make recommendations through the Citizen's Advisory Committee to the Grossmont Board of Trustees.

Some of the problems which will be considered for study are teachers' salary schedules, tax rates, counselling, evaluation of the activities program, differentiated diplomas, need and financing of a junior college, curricular trends in honors courses, mathematics, science, health, work experience, and classes for mentally retarded, length of school year, school district organization, and policies for the new high school in Lakeside. The latter will include curriculum, attendance boundaries, assignment of staff and selection of a name for the school.

Superintendent Lewis Smith said that citizens advisory committees are essential to provide a two-way exchange of information between the school district and the people of the community. The committee cannot work effectively if citizens are apathetic and do not provide the representation to effectively reflect the diverse views of the entire district, Smith said. Anyone interested in membership in the general committee or in working on a special problem is invited to phone or call at the district office, HO 6-4105.

Monterey Heights PTA Dinner Served to 543

A "get acquainted" spaghetti dinner served September 23 to 543 persons marked the beginning of the new year for the Monterey Heights PTA.

Following the dinner, Mrs. M. D. Burnworth, president, conducted a short business meeting.

Mrs. Ben Ela, program chairman, chose the theme "Begin With Our Principal" for the start of the new school year.

W. A. Thomas, principal of the Monterey Heights school, spoke on the need for a good beginning in the grade level and the teaching of good learning habits in the formative years.

Alistair Cooke To Speak At State

Alistair Cooke, television's "Omnibus" host, will discuss "The Pleasures and Pains of Anglo-American Understanding" September 30 at 11 a.m. in the main quadrangle at San Diego state.

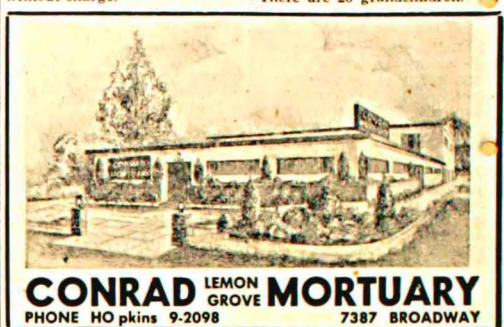

Often described as "the man who knows more about Americans than Americans do," Cooke is chief American correspondent for the Manchester Guardian in addition to his television activities. He has also been a British Broadcasting Company commentator on U. S. affairs since 1938.

His talk, sponsored by the college Lectures and Assemblies Committee, will be followed at noon with a discussion in the Little Theater. The entire program will be open to the public without charge.

Mrs. Esther Hill Services Held

Funeral services for Mrs. Esther Hill, 72, of 8504 Dexter drive, Lemon Grove, were held at Greenwood Mortuary Monday of this week. Burial was in Greenwood Memorial park. Mrs. Hill passed away at her home September 17 after a long illness. A native of Utah, she had lived in Lemon Grove 12 years.

Survivors include her husband, Charles; four sons: C. Elvin Hill of Phoenix, Arizona; Mark E. Hill of Idaho; Roy M. Hill of La Paz, Bolivia; and Dan L. Hill of Salt Lake City, Utah; two daughters, Mrs. Esther H. Malmstrom of La Mesa and Mrs. Jeanette H. Metcalf of Salt Lake City, Utah. There are 20 grandchildren.

Rose Is Motif For Harvest Ball

The theme "Mighty Lak A Rose," is the decor planned for the fifth annual Harvest Ball to be held in the Palm Room of the U. S. Grant Hotel on October 4. It will both compliment the 20 girls who will be honored in its celebrated presentation ceremony and glorify the historic symbol of the sponsoring organization, Grossmont Hospital Women's Auxiliary.

Dinner will be served at eight with the presentation ceremony at nine. Doors open at seven. Dancing will follow the presentation ceremony.

Mexico Orchestra To Perform At Russ

The National Symphony Orchestra of Mexico (Orquesta Sinfonica Nacional de Mexico) making its first American tour by special arrangement with the government of the United States of Mexico, will appear in one performance only at the Russ Auditorium, Sunday, October 19 at 8:30 p.m. The local appearance is sponsored by Southern California Attractions, with tickets available at the Southern California Box Office, 630 C street.

1,800 Students Gird For Football Carnival

LOVELY LASSES—Three members of the Grossmont high school pom pom corps display form they will use Saturday night at the Metropolitan League Football Carnival in Aztec Bowl, State College. From left are, Mary Willis, Annette Tryon and Barbie Brudno.

The eight largest senior high schools in San Diego county present the annual Metropolitan League Football Carnival this Friday night at 7:30 in Aztec Bowl. Nearly 1,800 students will take part in football, marching bands, specialties units and service jobs connected with the activity. An overflow crowd of parents, teachers and friends is expected to be on hand for what has come to be the greatest football extravaganza of the fall season.

Grossmont High, host for this year's Carnival renewal, has planned a fast-moving, colorful show with pagentry by massed bands and marching units at 7:30, extending into four quarters of prep football pitting Mar Vista against El Cajon Valley, Mount Miguel vs. Escondido, Chula Vista matching Helix and Sweetwater against Grossmont in the finale. Composite scores of East vs. West teams determine the winner. Tickets for students are on sale now at the area high schools, while those for the general public at \$1.25 for adults and 50 cents for children under 12, will be available at the Carnival.

The Metropolitan League this year has added the Cougars of Escondido to an already strong aggregation of schools. Fans in the area traditionally have used this Carnival as a preview of league action which opens Oct. 3.

To serve as a convenience, as well as to make for efficient parking, certain areas have been assigned to East stands and West stands.

Following are the suggested routes for all spectators coming from Chula Vista, Sweetwater, Mount Miguel, and Mar Vista areas.

Select your route so as to approach San Diego State College by way of Alvarado Mission Valley Freeway or El Cajon Boulevard. If on the freeway, turn south from the freeway onto College Avenue. This will place the East stand spectators (Chula Vista, Sweetwater, Mount Miguel, and Mar Vista) on the San Diego State College campus and in the correct parking area.

Following are suggested routes for West stand spectators (Helix, Grossmont, El Cajon, and Escondido). From Grossmont and El Cajon take Alvarado Freeway to Fairmount, left on Fairmount, left on Montezuma Road and then left on 55th street and proceed into West parking lot.

Helix High spectators are to take University avenue to College avenue, turn north on College to El Cajon boulevard, cross El Cajon boulevard and continue on College to the signal where a left

St. Augustine Tea To Honor Officers

The Austin Guild, the mothers club of St. Augustine high school, will open the year with a starlight tea, honoring the officers of the guild and the school faculty members. The tea will be held in the Terrace Room of the Lafayette Hotel on Monday of next week, at 8 p.m.

Turn west is made onto Montezuma road for four blocks to 55th street. Turn north onto 55th street and continue until directed into the correct parking area (West).

HEGLAND

September 15, 1958

Dear Sheridan,

I am very proud of our long personal, community and
U.S.O. relationship and friendship. Most of all, I
am proud of you and your family.

Your record of service and dedication in our California
State Assembly has only served to increase my admiration
for your forthrightness in the sound, important issues
you have sponsored, or supported, as one of our assembly-
men.

It is a full honor and privilege to know you and Edwina.

Sincerely,

George A. Scott

Annual Gem Show Set For El Cajon

The Lakeside Gem and Mineral Society will hold its second annual gem show September 27 and 28, from 10 a.m. to 10 p.m., at the Rotary hall, El Cajon. Admission will be free.

There will be 50 competitive gem, minerals and fossil displays by members. Judges will be Charles Parsons and E. J. Soukup, gemologists, on lapidary and Ralph Erskine and W. H. Woyner on minerals.

Trophies and ribbons will be awarded.

Guest displays will feature tourmaline from the Himalaya mine, jade carvings, Indian turquoise, jewelry, faceted gems, silver work, the world's largest kunzite crystal of gem quality, a display of San Diego county minerals, the famous Ed Fletcher collection, by courtesy of Roy Kepner Jr., and others. These are collectors' items, usually shown at federal, state and county shows.

Sewer System In EL PRADO TRACT, AREA No. 64
RESOLUTION OF INTENTION
On motion of Director Dent, seconded by Director Austin, the following resolution is adopted:
WHEREAS, this Board of Directors heretofore designated the Director of Public Works of the County of San

NROTC Exam Forms Ready

Vice Admiral H. P. Smith, USN, chief of naval personnel, announced this week the 13th annual national competitive examinations for the regular Naval Reserve Officers Training Corps will be given to interested high school seniors and graduates December 13. Application forms are now available and must be received before November 15, he added.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$600 for four years.

Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment herein-after described; and
WHEREAS, the Engineer has furnished to this Board of Directors plans and specifications for the construction of a sanitary sewer system in a portion of the LEMON GROVE Sanitation District, together with careful estimates of the costs and expenses of such construction which are on file in the office of the Secretary of said Board of Directors, NOW THEREFORE,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Directors of the Lemon Grove Sanitation District (hereinafter referred to as the Board of Directors) to order the following work to be done and improvement to be made in said Sanitation District, to wit:

EL PRADO AVE: Between the Northwest prolongation of the Southeast line of Lot 2, El Prado Heights, Map 2744, and the Eastern prolongation of the Northern line of Lot 40, El Prado Tract, Map 1320.

MAIN STREET: Between the Southeast prolongation of the Southwest line of Lot 2 and the Southeast prolongation of the Northeast line of Lot 1, all in El Prado Heights, Map 2744.

EASEMENT: In the Northeastly 5.00 feet of Lot 2, El Prado Heights, Map No. 2744.
EASEMENT: In the Northernly 15.00

feet of the Southernly 75.00 feet of Lot 38, El Prado Tract, Map No. 1320.

All of the said work hereinbefore generally described shall be constructed in the manner to the grade of the materials and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 245945, on file in the office of the Secretary of said Sanitation District, Room 306, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and copies of which are on file in the office of said Engineer of said District, and by this reference thereof, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Directors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars (\$50.00) or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semiannually, by coupon, on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest there-

of shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.
The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Directors, of more than local and ordinary public benefit and the expenses of such work and improvement are made chargeable upon the district hereinafter described and said Board of Directors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain map bearing number 76-2451, indicating the exterior boundary lines of said district, which map, approved by said Board of Directors, is on file in the office of the Secretary of said Board of Directors, at Document No. 245945, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for the particular description of such district.

It is the opinion of said Board of Administration, Building, not later than the second day of January next following the next October 15th after their date, to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board of Directors.

The Secretary of said Sanitation District is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses are shown on the last equalized County Assessment Roll, as known to said Secretary, all in the time, form and manner required by law; if proper, by affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work and improvement, at not more than three hundred feet in distance apart, but not less than Directors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that every owner of such property, as the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code, shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work and improvement, at not more than three hundred feet in distance apart, but not less than Directors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

The Secretary of said Sanitation District shall, upon completion of the mailing of said notices, file with this Board of Directors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

Plans will be discussed for a bridge benefit to help raise money for the National AAUW Educational Center in Washington, D.C. Mrs. William C. Babcock will give a short report on nursery schools available in the La Mesa, Lemon Grove and El Cajon areas.

Youth Symphony Auditions Are Slated For Next Week

Auditions for soloist at the fall concert of the San Diego Youth Symphony will be held Tuesday of next week at 7:30 p.m. in Hoover high school auditorium.

Applications for auditions must be filed with the Youth Symphony at the City Park and Recreation Department offices in Balboa Park by Friday of this week, it was announced by audition chairman Mrs. E. S. Reeves and Mrs. A. B. Hovde.

The fall concert will be given on November 25 at Hoover under direction of Walter Peterson.

An Amateur Athletic Union sponsored horseshoe tournament on Sunday of this week at the Balboa Horseshoe Club, 8th and Date in Balboa Park, will open the horse shoe season in San Diego county, according to a San Diego Park and Recreation department spokesman.

Registration for the tourney will take place at noon with play starting at 1 p.m. Newcomers and servicemen are invited to participate as well as all those interested in the sport, according

MARIE BULL

HOME ECONOMIST
The San Diego
Gas & Electric
Company
Suggests

In addition to savings in time, energy, and money, you'll discover a whole new way of living. Whether you're preparing a family dinner or facing the emergency of unexpected guests, you'll find a home freezer invaluable. And, you'll find it handy to have when planning a special party menu or even a school lunch.

That's because with just some advance food preparation done at your convenience, you'll always be ready to serve a complete meal in the shortest possible time. You can cook and bake in your leisure time, more than you'll actually need at the moment, and store the extras in your freezer for future use.

Lou'll learn just how this is accomplished at "Let Your Freezer Help Your Meal Preparation," another in the "Better Living..."

Automatically programs being presented monthly in the comfortable air-conditioned auditorium of the San Diego Gas & Electric Company's Eastern District Office, 104 North Johnson Street, El Cajon. The day is Tuesday, September 30, from 1:30 to 3:30 p.m. At this time, I'll show you how an entire meal can be frozen ahead of time and then quickly and easily cooked.

This meeting will also include a demonstration of the modern automatic washers and dryers, especially designed to launder modern fabrics. If you are not familiar with the advantages of these wonderful home appliances, you'll surely want to learn all about them from the experts who'll be showing them.

I'll be looking forward to seeing you next Tuesday. There'll be the usual door prizes and refreshments will be served.

Education Topic For Discussion

The modern living section of the American Association of University Women, La Mesa branch, will meet at 7:45 p.m. October 2, at the home of Mrs. Robert Van Tuyl, 9135 Johnson drive, La Mesa.

Co-hostesses will be Mrs. William C. Babcock and Mrs. G. Keith Dolan. G. Keith Dolan, principal of Spring Valley junior high school, will speak on "Recent Developments in our Schools." Members of the education committees will be special guests for the discussion on education.

Plans will be discussed for a bridge benefit to help raise money for the National AAUW Educational Center in Washington, D.C. Mrs. William C. Babcock will give a short report on nursery schools available in the La Mesa, Lemon Grove and El Cajon areas.

from FREEZER

to TABLE...

a marvelous meal in just 50 MINUTES!

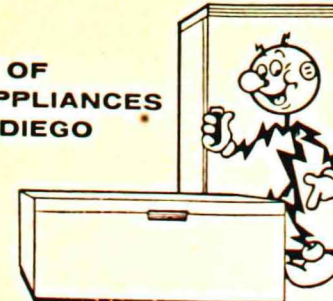

- 5:10 p.m. The Great Man calls. On the way home with the Boss. What's for dinner?
- 5:11 p.m. Panic!
- 5:12 p.m. Think, girl. The freezer — bless its chilly heart?
- 5:13 p.m. What have we here? Frozen melon balls. Take them out right away because they will take about 40 minutes to defreeze. And here's a package of cut green beans, I'll mix them with a half can of mushroom soup and 1/4 cup of chopped almonds — and serve Green Beans Almandine.
- 5:15 p.m. Steak's safe... but that trout the Lord-and-Master caught might be more impressive. The trout it is. Caught it last August and it's fresh as the day it was frozen. Simply dust with seasoned flour and pan fry in butter until golden brown and crisp. And it will only take 15 to 20 minutes.
- 5:16 p.m. Now let's see! These stuffed baked potatoes will go well with the beans and trout — and they can be ready to serve in 20 minutes at the most.
- 5:17 p.m. That cake I baked and froze for the birthday party will be perfect for tonight... and, after all, the party's not until next week. And it will be ready to put on the table in just 45 minutes — complete with this peppermint ice cream.
- 5:26 p.m. All set. Thank heavens there's time to pick up the house... and give the hostess a quick overhaul.
- 6:00 p.m. They're here. Zero hour, and everything's under control. Freezer, my friend, what would I do without you?

live better...electrically with a modern home freezer

A FREEZER MEANS ECONOMY! Save money and eat better by stocking your freezer when prices are lower and food quality is highest... reduce food waste by storing "left-overs" for future use... enjoy fish and game anytime... save time and work by cooking and baking in larger quantities and storing the extra amount in the freezer for serving later.
Note: The menu we used to illustrate the timing in this advertisement is a good example of freezer economy.

Knowland Scores Brown's Platform

Bill Knowland charged today that his gubernatorial opponent proposes complete governmental control of the state's economy, the re-establishment of price and wage controls.

In a speech to the Los Angeles Plans Committee, Senator Knowland attacked Atty. Gen. Edmund G. Brown's eight-point program and the party platform on which Brown is running.

Knowland said the platform on which Brown stands would, by the most conservative estimates, cost state governmental costs by \$81,875,000 a year.

"This is irresponsible folly," Knowland said, "and the people must be put on guard to protect their future in this election."

"I believe it is becoming clear why my opponent declined to bring his policies and his party's policies before the people in joint public meetings and discussion."

The senator said that a hard realistic look at his opponent's program and platform would "result in chaos and widespread unemployment in our state and would destroy credit and solvency of our government."

School Bus Warning Repeated

California Highway Patrol Captain R. Gauche urged all drivers to review traffic regulations governing conduct when approaching school buses.

"Now that school has reopened, we are again receiving complaints from school bus drivers that some motorists are not complying with the school bus stopping law," Gauche explained.

Specifically, the law requires that motorists must stop and remain stationary whenever a school bus displays flashing red lights. These lights are mounted near the top of the bus, two in front and two at the rear. Motorists must stop regardless of whether they are approaching head-on or from the rear.

The law provides the bus driver may use the flashing red lights only when a student must cross a street or highway to board the bus or after alighting from the bus.

"When these red lights are not flashing it is safe to pass a stopped bus, having due regard for traffic and for any children who may be in the vicinity of the bus," Gauche added.

The only exception to the stopping requirement occurs when there are separate roadways. A motorist bound in the opposite direction on the opposing roadway may proceed without stopping when the red lights are flashing.

Begonia Society To Meet Oct. 1

San Miguel Begonia society will meet Wednesday, October 1 at 8 p.m. in the Youth Center on School Lane, Lemon Grove.

Mrs. J. W. Lowry, president, will conduct the business meeting and Mrs. Ferris Jones, vice president, will introduce M. B. Dunkle, PHD, former president of the American Begonia society and lecturer on botanical and geological subjects. He is from Fallbrook.

A social hour will follow. Interested persons are always welcome.

Highway 94 Improvement Told At Meet

Ralph Luckenbach, assistant engineer for the state highway department, told the Highway 94 Club, September 18, that Highway 94 (Campo road) is scheduled to be improved from Palm Avenue, near La Mesa to Jamacha Junction. He didn't say, however, when the work would begin.

Luckenbach, using maps and figures, told the crowd of the proposed Highway 80 work, which is now being considered as part of a route to the east. He stated that the Walker Canyon route will be least costly.

State senator Fred Kraft, who was another guest speaker, told of an Interim Committee meeting to be held in San Diego Wednesday and Thursday of this week. The Wednesday meeting will be at 10 a.m. in the chambers of the San Diego City Council. The Thursday meeting will be at 10 a.m. in the chambers of the county board of Supervisors. The first meeting will be for persons interested in San Diego county roads and the second for those in Imperial, Riverside and San Bernardino counties.

In other business, the Highway 94 Club voted to have the sheriff's department notified to take under advisement the possibility of having a resident deputy stationed in the Dulzura area, as there has been quite a bit of vandalism going on in the area, according to Eddie Leonard, president of the club.

The club also voted to have the Board of Supervisors look into the matter of having the intersection of Highway 94 and the Olay Lakes road contoured differently.

Square Dance News . . .

The Country Cousins were recent dance guests of the Lariats of La Mesa and the Belles and Sirens of San Diego. Members of the Country Cousins reported they enjoyed themselves.

The Country Cousins held their third Saturday dance September 20 with the Huff and Puffers of Spring Valley as guests.

Club caller Ray Columbe underwent surgery this week. Chuck Carroll will take over for him Saturday night at the club's dance.

Enrolments are still being taken for the beginners' dance class on Monday evenings at the La Mesa junior high school, 4200 Parks Avenue. George Vagtborg is the instructor.

Governor Goodwin Knight has declared the week of September 21 to 27 as Square Dance Week, according to Tom Cook, president of the Square Wheelers dance club. Cook said the governor likes square dancing and he quoted the governor as saying "It's wholesome and clean recreation."

Square Dance Week was brought about by the untiring efforts of Bert Lancaster, Sacramento attorney, said Cook.

The Square Wheelers dance the second and fourth Saturdays in the Spring Valley chamber of commerce hall.

SQUARE EIGHTERS
The Square Eighters held their alumni box social September 17. Vivian Miter was crowned queen for the evening since her box

COME TO ATTENTION, CLASS—Mrs. Eva Servant brings her schoolroom class of dolls to order in the window of the Goodwill Industries store, 3488 Main street, Lemon Grove. Mrs. Servant put together the classroom with articles donated by the public for sale at the store. She started collecting items for the window display about two months ago. Mrs. Grace Holland is manager of the store.

Enrolment Up By 1,123 In High Schools

Enrolment in Grossmont Union High School District schools has increased to 8033 or 1,123 above 6,919 enrolled last spring, the district office announced this week.

The number of boys, 4,158, exceeds girls, 3,875, by 283, reflecting the impact of World War II in upsetting the normal balance.

Serious crowding has occurred only at El Cajon Valley high which will be alleviated in November with completion of 11 classrooms now under construction.

Construction of the new high school in Lakeside is scheduled by September, 1959. Enrolment of 1,200 in the new high school will reduce Grossmont by 800 and El Cajon by 400 for the 1959-60 school year. El Cajon Valley high will probably gain enough new students to replace those transferred to Lakeside, so overcrowding will be increasingly crucial until another high school plant has been developed on the

brought the highest price. Plans are being made for a Cuyamaca weekend on September 27 and 28.

Those interested in going call JU 2-7342 for information and reservations.

New caller, Dale Durbin, is proving popular.

Food, Fun, Football Promised At Helix High School Meeting

Food, fun, and football will be the theme of the first Helix high school PTA meeting to be held at 6:30 p.m. Friday, October 3, in the Helix cafeteria.

The PTA will serve a hamburger and beef or cheese taco supper before their meeting. Later

all who attend may sit in a reserved section of the stadium to see the football game between Hoover and Helix high schools on the Helix field.

Mrs. Glenn Calder will be in charge of the supper and Bart Roggensack is program chairman. PTA officers and school officers will be introduced. The Helix high cheer and song leaders and the pep band will be on hand to welcome parents to the first meeting.

Lutheran Church Youth Plan Parents' Night

The Luther League of the Lemon Grove Lutheran church, 2065 Skyline drive, Monterey Heights, will sponsor a Parent's Night this Sunday from 6:30 p.m. to 9 p.m.

The program will acquaint parents with the young people in the church and the work of the League. A pot-luck dinner will precede the program.

A panel of church laymen will discuss problems and questions the Leaguers have submitted in a "question box." The young people will also present special music.

God's Minute

"One God and Father"

Man is not an accident of nature. Man came from the hand of God at the beginning as man. God wrote into the make-up of man the capability to know God as his Father. This does not come by indoctrination, but is inherent in every man. However, many have turned this inherent capability in the wrong direction so that someone or something of a lower nature assumes the place rightly reserved in man for God. Upon God's call we must turn to Him so that He becomes our God and Father.

Burial Insurance For Ages 1 to 80

Persons ages 1 to 80 years are now eligible to register under a plan of burial insurance. Costs only a few cents a day. In time of need, regardless of how little has been paid, the plan pays the funeral bill. For example, a complete funeral was paid for recently when only \$4.58 had been paid. Issued by an admitted legal reserve insurer. Good at any funeral director in the United States or Canada. For free information without cost or obligation write to—

Lemon Grove Man Training At Los Alamitos

Ralph F. Lower, Aviation Machinist Mate First Class, of Lemon Grove learned to find, track, and destroy submarines while on two weeks active duty recently with the Naval Air Reserve Helicopter Squadron 773 at the Naval Air Station, Los Alamitos.

The two week tour of duty for the Lemon Grove naval reservist has been devoted to training problems and operational flights with his 43-man unit.

In civilian life Lower is employed as an air mechanic at the United States Naval Air Station, North Island. He lives with his wife Agnes and three children at 2727 Palm Lane.

NAVY SUPPLY OFFICERS WIVES PLAN LUNCHEON

"Friendship" will be the theme of the first fall luncheon planned for October 7 by the Navy Supply Corps Officers Wives at the Admiral Kidd club.

A social hour will be held at 11 a.m. with luncheon following in the Bamboo Room.

Reservations should be made prior to October 3 with Mrs. Robert Whalen at JU 2-5180 or Mrs. A. Lotterhos at HO 3-4033.

New Teachers Feted At Party

New teachers at Lemon Grove schools were honored Saturday at a district-wide beach party sponsored by the Lemon Grove District Teachers Association. More than 120 faculty members and their families gathered at Santa Clara Point in San Diego for an afternoon of swimming and picnicking, followed by an evening of community singing around campfires. New members of the faculty were accompanied by their "sponsors," regular teachers assigned to assist the newcomers become acquainted with all phases of the educational program and the community.

Wes Stewart, chairman of the LGDTA social committee, was in charge of activities. He was assisted by members of his committee and Rick Stammerjohn, president of the local chapter.

School Tax Gets Men's Club Eye

Lemon Grove Men's Club Friday were given a background view of the profession of chiropractic by Dr. Allen Thompson, president of the San Diego and Imperial Valley Chiropractic Association. Program was sponsored by two local chiropractors, Drs. Stanley Yanchul and Neill Barton.

Program this week will be provided by the Citizens Committee for Schools and the upcoming school tax election will be discussed. Speaker has not been announced.

Meetings are held each Friday at noon at Michael's. All men are invited.

Henderson Rites Held Wednesday

Funeral services were held Wednesday of this week at Johnson-Saum and Knoble Mortuary for Albert Truman Henderson, 60, of 3945 Quarry road, who died Saturday at Naval hospital. Military services were held at Fort Rosecrans Cemetery.

Mr. Henderson had apparently been in good health until recently, although he had an operation a year ago. He retired from the navy as a machinist's mate in 1945 after 26 years of naval service. He was a member of VFW Post 2082 in Lemon Grove and was past county council com-

The Dimmer VIEW

(Continued)

cause the Lemon Grove telephone company in La Mesa has never included the name of this fair city on the cover. Campo, Pine Valley and San Ysidro all get a call in the community listing on the front of the five pound monthly.

This year, we are pleased to report, by way of some fancy letter writing on the part of the local chamber of commerce in concert with the Lemon Grove manager of the Pacific Telco. In La Mesa, Lemon Grove will be emblazoned, if that's the word, on the 1958-59 issue.

The Lemon Grove Lions Club has embarked upon a project worthy enough for any club in any community. Under the canopy of White Cane Days Friday and Saturday, club members will canvass the community selling miniature canes. The proceeds from this event will go to assist bringing better vision to local visually-handicapped youngsters.

This makes news here for two reasons. First, it is a most worthy cause. Second, this publication has been named headquarters by Lions club White Cane chairman Col. Bob Pulliam and as such we will accept, by telephone or letter, requests for aid.

Should you know of some visually-handicapped youngster who needs this aid, and possibly because of the cost involved, has not had the advantages of sight correction, call the editor of this newspaper at HO pkins 9-0101, or write to us at the Homeland Publishing Co., P.O. box 127, Lemon Grove. We think help can be arranged.

Johnny, the barber, tells me about a local woman who lost 185 pounds of ugly fat recently. She divorced him!

Survivors include his widow, Esther, and four daughters including Eleanor, Mrs. Margaret Rozell of Lemon Grove; Mrs. Francis Myers of Campo and Mrs. Emma Lou Doyle.

Also six sons including Robert, who is in the navy; Albert, John, Donald, Richard and Charles. The latter two live at home. Fifteen grandchildren also survive.

Kiwanis Clubs To Get Award

Kiwanis International has been selected to receive one of the top ten Public Relations News Annual Achievement awards for 1958. This honor has been described as "the highest recognition in the public relations field."

Thad Butts, president of the Kiwanis Club of Lemon Grove described the award as coming to Kiwanis primarily for "its competently guided public relations campaign through which Kiwanis annually enlists the support of its members throughout North America in honoring the press for the public service it performs in actively advancing the cause of freedom."

In Lemon Grove the cooperation of the local press has helped to bring about this recognition which, multiplied by 4500 clubs, has resulted in the honor which Kiwanis now enjoys, Butts added.

New Laundry Opened Here

Del and Eileen Anderson of Lemon Grove, this week opened a new coin operated laundry at 7775 Broadway. Grand opening celebration will be held on Saturday of this week, although the laundry is now open for business.

The Grand Opening will feature a free washing machine load for all who visit the new enterprise on Saturday between 9 a.m. and 6 p.m.

The Andersons stated the laundry service would be open 24 hours seven days per week.

Equipment for the business includes twenty-eight new agitator type washing machines, complete drying facilities, soap dispensers and change making machines, everything, said Del Anderson, to make family laundering as effortless as possible.

Anderson is a member of the junior chamber of commerce.

Hoy To Head Committee

Wayne Hoy, a Lemon Grove attorney at 7850 Golden avenue, was named this week as local chairman of the San Diego County Bi-Partisan committee to Defeat Proposition No. 17.

Ward Fitzpatrick, San Diego and Chula Vista realtor and insurance broker is general chairman with Donald E. Hanson, vice president and controller of the San Diego Transit System, as finance chairman. Other members of the executive committee are: James Anderson, San Diego banker; G. K. Williams, Coronado publisher and chairman of the San Diego County Democratic Central Committee; Harry E. Callaway, Sr., San Diego businessman; George V. Johnson, National City businessman; and Mrs. Barbara Lang Hayes, Ocean-side attorney.

the Helix Irrigation District the following courses:

1. Northeastly along the Northwestly line of said Lot 1 and along the Northwestly lines of Lots 2, 3, 4, and 5, of said Block 28 of Fletcher Hills Unit No. 2, being also along the South line of Broadway as shown on said Map No. 2122, to the East line of said Lot 5;
2. Northely along the Northely prolongation of said East line of Lot 5 to the centerline of Broadway as same is shown on said Map of Fletcher Hills Unit No. 2;
3. Southwestly and Westely along said centerline of Broadway to the North and South centerline of Southeast Quarter of Section 4, Township 16 South, Range 1 West, S.B.M.;
4. Southely along said North and South centerline to an intersection with the South line of said Broadway;
5. Thence, leaving the boundary of the Helix Irrigation District, Eastely along the boundary of the San Diego County Water Authority, being also along the South line of said Broadway, to the point of beginning.

PARCEL 3
(Exception No. 9 to Parcel 1 of said Helix Irrigation District Boundary; being also Parcel 9 of Rio San Diego Municipal Water District's Boundaries).

Beginning at the Southwestly corner of Block 30 Fletcher Hills Unit No. 2, according to Map thereof No. 2122, on file in the Office of the Recorder of San Diego County;

Thence, along the boundary of the Helix Irrigation District, the following courses:

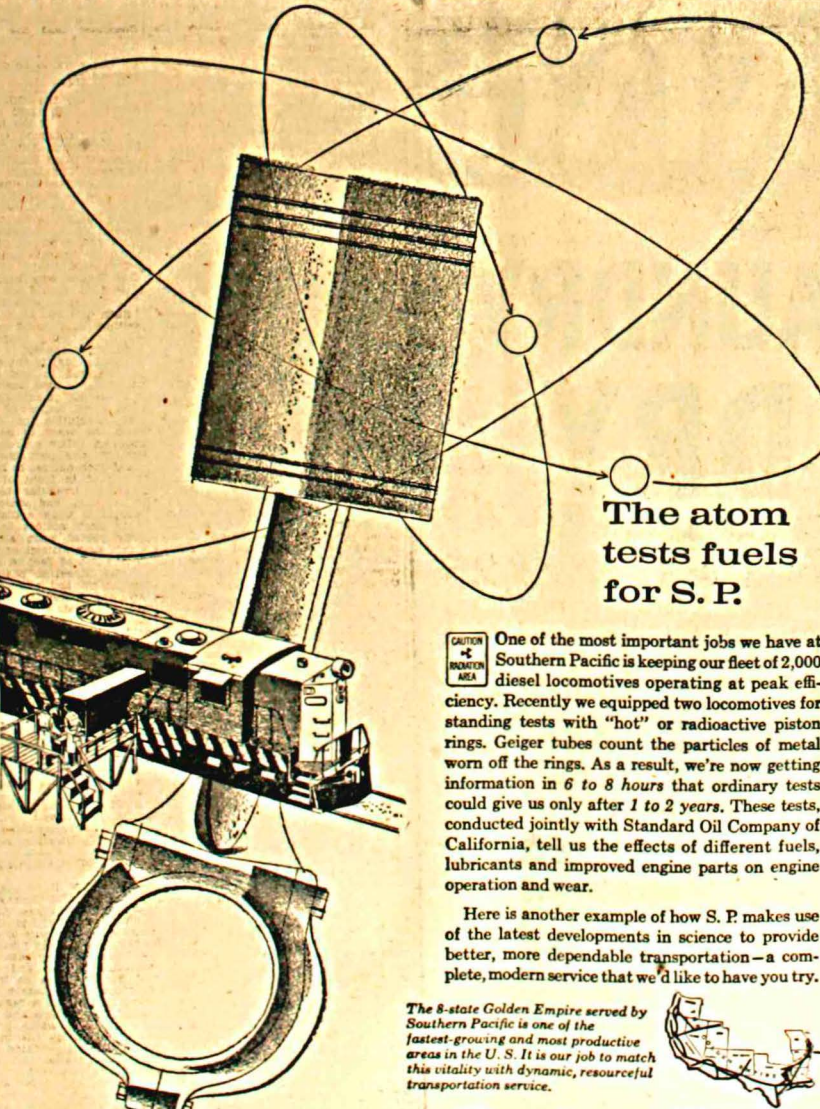

1. Northely along the Westely line of said Block 30 to a line which is parallel with and 1759.20 feet South from the North line of said Block 30;
2. Westely along said parallel line to the East line of Block 31 of said Fletcher Hills Unit No. 2;
3. Southely along said East line of Block 31 and along the East line of Block 32 of said Fletcher Hills Unit No. 2, to the Northely line of Broadway as shown on said Map No. 2122;
4. Eastely along said Northely line of Broadway to the point of beginning.

NOTICE IS HEREBY GIVEN that said Board of Directors will hear said petition and objections thereto at 9:30 a.m. on Tuesday, October 21, 1958, said day being the regular meeting day of said Board next after the expiration of the time for the publication of this notice. Said hearing will be held at said time in the office of said Board, at 8111 University Avenue, in the City of La Mesa, in the County of San Diego, State of California.

NOTICE IS HEREBY FURTHER GIVEN to all persons interested in or affected by the proposed inclusion of said lands within said District to appear at said time and place and show cause in writing, if any they have, why said lands or any of them should not be included as proposed in said petition, to which petition reference is made for further particulars.

DATED this 23rd day of September, 1958.

MARGARET C. PENNEY
Secretary of the Board of
Directors of Helix Irrigation
District
LG Rev. Sept. 25 Oct 2 & 9, 1958

The atom tests fuels for S. P.

One of the most important jobs we have at Southern Pacific is keeping our fleet of 2,000 diesel locomotives operating at peak efficiency. Recently we equipped two locomotives for standing tests with "hot" or radioactive piston rings. Geiger tubes count the particles of metal worn off the rings. As a result, we're now getting information in 6 to 8 hours that ordinary tests could give us only after 1 to 2 years. These tests, conducted jointly with Standard Oil Company of California, tell us the effects of different fuels, lubricants and improved engine parts on engine operation and wear.

Here is another example of how S. P. makes use of the latest developments in science to provide better, more dependable transportation—a complete, modern service that we'd like to have you try.

The 8-state Golden Empire served by Southern Pacific is one of the fastest-growing and most productive areas in the U. S. It is our job to match this vitality with dynamic, resourceful transportation service.

AUDIO-VISUAL TRAINING IS HIGH SCHOOL BOON

Just as it solved the problems of mass instruction in World War II, audio-visual instruction, the newest and most effective tool in education is now helping to meet the problem of mass education in the schools, according to educators at Mt. Miguel high school. This is a two-way problem in local schools: not only is there more the high school student has to know today, but there are more students. This newest tool is only a variation of the oldest educational method in the history of man brought up-to-date by the technological advances of today: sound plus pictures, or audio-visual instruction. Formerly, the teacher supplied the voice, and

draw most of the pictures. Today the need is for motion picture projectors, slide projectors, tape recorders, radios, record players, and the supplementary materials which accompany them. No one teacher can possibly be an expert on every subject or on every aspect of one subject in this day of specialization; but a good teaching film on a subject can be the expert. Schools cannot hire a Dr. Teller to give a lecture, but a class can hear a recording of important lectures. A required course of teachers in the California Public Schools is on the importance of proper use of audio-visual aids in the classroom as supplementary teaching

material used in addition to the standard textbook. This teaching aid has created a demand for another kind of specialist, not necessarily the teacher, but nevertheless a specialist. This is the student assistant. Whether selected from the classroom as teacher representatives, or work experience students in the audio-visual department, these student operators are carefully selected and trained. They are responsible, under teacher guidance, for valuable equipment; many of them maintain a high grade average in order to be in the program. The skills they learn in the use and care

of the projectors, films, tapes, and recording, will be useful in adult life.

SPACE SPEECHES TO BE GIVEN BY SCRIPPS

The Theatre and Arts Foundation of San Diego county in cooperation with the Scripps Institution of Oceanography, General Atomic and Convair will present a fall series of five lectures on "The Physics of Space" for high school students of San Diego county. Lectures will be given in the Mission Bay high school at 4 p.m. on October 9, 23, November 6, 20 and December 11. Dr. John W. Bond, Jr., chief of physics, Convair, is in charge of program and speakers.

Furnishings Plan To Be Shown At Homemakers Club

The Spring Valley Homemakers Club met Sept. 18 at the home of Mrs. Van Norman, 2553 Central Ave., Spring Valley. Mrs. Eleanor Spidell presented to the club a program on "Choosing Basic Clothes."

There will be a meeting this Friday, at 4005 Rosecrans, Building 1, San Diego, from 10 a.m. to noon. The public is invited. Bring lunch and cup. Coffee will be served. Miss Grace Kampen, extension home furnishings specialist, University of California, will be in charge of the demonstrations. She will demonstrate a plan for the selection of furniture, rugs, draperies, and accessories.

On Oct. 16, at the Pals and Gals Club House in Spring Valley, 10 a.m. to noon, Mrs. Delphine Wilson, home advisor, will be the speaker before the Spring Valley Homemakers Club. Her theme will be "Home Furnishings," and will stress interior decorations. Every one should bring a sack lunch. Coffee and dessert will be served.

Capacity Crowd At Legion Post 282 'Mortgage Burning'

A capacity crowd was on hand September 13 when American Legion Post 282 and its Auxiliary of La Mesa, held a "mortgage burning" party.

Three members of the La Mesa post Auxiliary have been appointed to district offices. It was revealed this week. Mrs. Lester L. Freeman will serve as national security chairman, Mrs. V. Bass will serve as poppy chairman and Mrs. Dale Walker will take up duties as page and music chairman.

Entertainment and refreshments for patients at Edgemore hospital will be provided by the La Mesa Auxiliary. It was decided at the last meeting of the Auxiliary. Mrs. Freeman, chairman, will work in cooperation with the American Red Cross and the Pink Ladies at the hospital providing the entertainment and refreshments on the first Wednesday of each month.

The next meeting of the Post and Auxiliary will be held on Friday evening of this week at the Legion Hall, 8118 University avenue.

DOROTHY DIGS in the garden

BULBS
It's getting close to that time of year when you have hundreds of bulbs to select from. They appear on the counters of the garden supply stores at the proper time for planting and you put them in the ground with a little thrill of expectation.
Your garden supply dealer can give you a planting guide showing you the proper depth in which various bulbs should be placed in the soil. But he may forget to remind you that in order to afford these little brown children the protection they require, you should soak them in a material that will destroy thrips and other insects which invariably infest bulbs.
There is one mixture I have in mind that is a potent fumigant. Therefore, bulbs thrown into this mixture 1/2 hour before planting can, and should, be planted while they are still wet. Then the moist fumes of the disinfectant will surround the bulb and repel attacks by underground insects for a long time after they are in the ground.

NOTICE OF SALE OF REALTY

WHEREAS, I was on the 29th day of July, 1958, directed by the Board of Supervisors of San Diego County, State of California, and there was recorded in the Office of the County Clerk, an authorization of the State Controller, dated August 7th, 1958, to sell at public auction, for cash in law.

Notice is hereby given that unless the properties are redeemed, as provided by law, the property will be sold at public auction, on Tuesday, the 15th day of October, 1958, at the hour of 9:00 o'clock a.m. in the Tax Collector's office in the San Diego City and County Administration Building at 1600 Pacific Highway in the City of San Diego, sell as directed the said property for a sum not less than the minimum price set forth in this notice.

NOTICE OF TRUSTEES SALE

NOTICE IS HEREBY GIVEN THAT Union Title Insurance Company, Trustee under Deeds, Company, California, will sell by public auction, on Tuesday, the 14th day of October, 1958, at the hour of 11:00 o'clock, in the forenoon, at the County Court House, in the City of San Diego, County of San Diego, State of California, all said interest conveyed to and held by said Trustee, by the aforementioned Deed of Trust, in and to all that certain real property set forth therein, situated in the County of San Diego, State of California, more particularly described as:

That portion of the Southwest Quarter of the Northwest Quarter of the Northeast Quarter of Section 33, Township 16 South, Range 1 East, San Diego County, California, which is more particularly described as follows:

Beginning at the West Quarter corner of said Section 33, Township 16 South, Range 1 East, San Diego County, California, and running thence North 72° 46' 48" East along the Southeastern line of the land conveyed to Calvine C. Bowman et ux, by deed recorded June 15, 1954, in Book 4664, page 143, of Official Records, San Diego County, California, to a point in the line of said County Road as shown on Map No. 304 on file in the office of the County Surveyor, San Diego County, thence South 17° 02' East 479.59 feet; thence South 64° 11' East 387.56 feet; thence South 92° 22' East 208.54 feet; thence North 81° 23' East 236.19 feet to the line of the Northwesterly corner of the parcel of land described in Trust of Louis B. Reed, et ux, recorded October 9, 1942, as Document No. 62357, in Book 447, page 10, of Official Records, San Diego County, California, thence South 1° 16' East along the Westerly line of said Northwesterly corner of the parcel of land to the Southwesterly corner of the Southwest Quarter of Section 33, Township 16 South, Range 1 East, San Diego County, California, thence North 72° 46' 48" East along the Southeastern line of the land conveyed to Calvine C. Bowman et ux, by deed recorded June 15, 1954, in Book 4664, page 143, of Official Records, San Diego County, California, to the point of beginning.

Howell Heads Committee On School Election

A. E. "Bob" Howell, real estate and insurance man whose offices are at 3455 Imperial avenue, has been named finance chairman of the Citizens Committee for Schools.

The committee has undertaken the job of publicizing the school override election set for October 7. The election covers the expiring \$1.40 operating fund tax which has been in effect eight years. It proposes to increase the level would fall to 90 cents. This would curtail some of the school activities and probably cut teachers off the payroll.

Howell said he would solicit funds from interested residents and make a plea for voluntary contributions. Checks, he said, should be made out to Citizens Committee for Schools and mailed to his office.

Six new Lemon Grove-Spring Valley residents were born September 13 to 17 at Grossmont hospital.

They are: an eight pound, 12 1/2 ounce, boy born to Mr. and Mrs. Thad Stelmor, 8131 Longdale drive, Lemon Grove; a five pound, 12 ounce boy born to Mr. and Mrs. Ronald Body, 7560 North avenue, Lemon Grove; an eight pound, eight ounce girl born to Mr. and Mrs. Clair Burnworth, 2755 New Jersey avenue, Lemon Grove; an eight pound, three ounce boy born to Mr. and Mrs. Donald Hamilton, 7818 Deborah place, Lemon Grove; a six pound, 12 ounce girl born to Mr. and Mrs. Billy Williams, 7115 Central avenue, Lemon Grove, and an eight pound, four ounce boy to Mr. and Mrs. Richard Bruningham, 3557 Trophy drive, Brookside.

6 Babies Born To Area Residents

The annual fall workshop of Mt. Helix Council PTA, held last week in La Mesa, was pronounced a success by its president, Mrs. Robert Higgins. Approximately 160 members attended, representing the 17 schools of which the Council is composed.

A "yes" vote on the upcoming school bond election in the La Mesa area and the tax override election in the Lemon Grove area was endorsed by the PTA Council. This action also has approval of the Ninth District Board.

Appointments were ratified as follows: Mrs. B. E. Young, parent-teacher information chairman; Mrs. R. J. Collette, outside publicity; and George Beery, citizen's advisory committee representative to La Mesa-Spring Valley school board.

Parent-Teacher information certificates were awarded to Mrs. Charles Allen, G. Henderson and M. D. McLaughlin of Fletcher Hills PTA; Mrs. John Howe, L. E. Hummer, J. D. Page, Sid Petty and L. A. Ruth of Northmont PTA; Mrs. A. R. Hunter, La Mesa Elementary PTA; Mrs. J. H. Laney, Lemon Avenue school PTA, and Mrs. Jack Phibbs, Murray Manor PTA.

Fall Workshop Termed Success By PTA Head

Let's face it, I'm frustrated. I'd like to help people take better pictures but actually too few people ask for advice. Things are such that I have to stay on the alert, watching for a stray chance to pass along a good tip.

For instance, the other day a young fellow was looking over his snap shots near the cash register, a big frown on his face. "Funny," he said to himself, "those clouds looked so fat and white that afternoon yet they're so washed out here." I couldn't resist the opening.

"Excuse me," I said, "you need a Kodak Filter to make clouds look natural in your pictures. They're only \$2.25."

"Can't go wrong at that price," he said. And I had to agree with him.

Then Saturday afternoon at the game I volunteered another bit of advice to a guy sitting next to me. He was fiddling with his camera and squinting at the sky. "Cloudy bright or hazy sunlight," he asked me.

I voted a straight cloudy bright ticket. Then I added, "sometimes you might take a look through a book called 'How to Make Good Pictures.' Along with considerable other helpful picture-taking information, it contains tips on determining all types of light conditions. Makes it real easy."

When I get the chance I always pass along a bit of advice. Why don't you drop into the store and try me? It's free.

Four Local Students Achieve Honors In School Photo Contest

Four Lemon Grove students are winners in the 1958 Kodak High School Photo contest, it was revealed last week.

Sponsored by Eastman Kodak Company and approved by the Contests and Activities Committee of the National Association of Secondary School Principals, the 13th annual contest resulted in cash awards totaling \$10,400 and hundreds of state certificates of merit.

Lemon Grove winners are: Judith Carole Kelley, 7016 Waite drive, junior at Helix high school, state certificate of merit; Joann Price, P.O. Box 191, senior at Helix high school, honorable mention; Sandra Waggoner, 7186 Central avenue, senior at Helix high school, state certificate of merit; and Billie J. Porter, 7609 Lansing drive, sophomore at Mount Miguel high school, state certificate of merit. Miss Price received \$10 for her honorable mention award.
